**MOTION TO MODIFY ANNA GABRIELIAN'S  
CONDITIONS OF RELEASE**

The Court Order setting Dr. Gabrielian's conditions of release places her under home confinement, where she is "restricted to 24-hour-a-day lock-down at her current residence [in Rockville, Md] except for medical necessities, attorney visits, court appearances, or other activities specifically approved by the court." ECF 10. Dr. Gabrielian's trial begins on May 22, 2023 in Baltimore and is expected to last 8 days. Defense counsel will be staying in a hotel near the courthouse during the trial week. Dr. Gabrielian seeks Court permission to modify her conditions of release to allow her to stay with counsel in Baltimore Tuesday and Wednesday night to allow her to prepare with counsel for her potential testimony.

Defense counsel asked the position of both Government and pretrial services. The Government defers to pretrial services. Pretrial services has "consulted with the government and . . . will not be approving the overnight hotel stays without Court approval."

Respectfully submitted,
